A perusal of these papers and particularly the Residency letter N 15-2-06, shows that the deaths of all Europeans (whether employed or unemployed) shall be reported and that the forms for doing so is that prescribed in Fg.O. N 30-4-13. ~~The same reforms~~ The forms used for reporting deaths under Fg.O. 710 Fg 5-3-61/Fg 18 N 14-1- for purposes of Administrator Genl's act is also the same. But the Fg.O. N 8-3-06 issued on the receipt of the Residency letter of 15-2-06 and the heading of the forms of the report show that Europeans who are not employed in the State service or in British Service or who not in receipt of pensions from either are to be excluded. It is apparent this that has given room for
